

Sight Word Races

Have your students use homemade game pieces or grab some from an old game. They will roll one dice and move that many places. Then, have them read the words that they've passed. The first player to the END wins!

The image shows four overlapping game boards for 'Sight Word Race'. Each board is a grid of words with 'START!' and 'END!' markers. The words are: Board 1: day, baby, home, apple, dog, school, day, dog, seed, apple, horse, horse, home, END!, apple, dog. Board 2: ball, doll, house, door, back, kitty, sheep, back, shoe, doll, door, sheep, ball, END!, shoe, house. Board 3: sister, duck, bear, egg, bed, leg, letter, letter, duck, snow, leg, egg, snow, END!, snow, sister. Board 4: song, bird, man, farm, eye, men, bear, squirrel, man, eye, farm, men, bird, END!, squirrel, song. The bottom board also features a cartoon cat illustration and the text 'SIGHT WORD RACE' and 'Roll one dice. Move that number of spaces. Read each word as you go! Who will reach the end first?'.

Sight Word Bingo

These Bingo boards are perfect for practicing hearing and recognizing sight words. In my room, we play every day! There are only TEN bingo boards included, because it is intended for small groups. I have also included boards with a 3x3 and 5x5 layout. Use the smaller boards for shorter time frames and larger boards for more practice.

SIGHT WORD BINGO
